THANK YOU !

"Very nice staff, great island with amazing beaches."

 Giorgio

"We would definitely recommend this island to honeymooners and families with small children, it was really fantastic!"

 Jure1977

"The resort is simply beautiful! The accomodation is beautifully appointed (we booked a sunset pavilion villa) and it was stunning. The resort was almost full during our visit but most of the time we felt like we were the only ones there. It is designed in such a way that ensures lots of privacy."

Anita

"A real slice of paradise.

The island is really beautiful. Looks like the dream mid-sized picturesque Maldivian island. Fantastic wide beaches all-around the island, real sand shores and no sand bags fortifications like on many other Maldivian islands. Lush vegetation. Great house reef teaming of sea life. The facilities are all great as well."

Nikolay

"The most amazing beaches and turquoise lagoon. Spectacular diving. The pools are amazing. The infinity pool on the beach makes it appear that you are swimming across the Maldivian waters to the next island."
